## Annual PHA Plan PHA Fiscal Year 2000

☐ **Troubled Agency Plan**

### **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

The Harrisonburg Redevelopment and Housing Authority's (HRHA) ambition runs beyond promoting adequate and affordable housing, to include fostering a sense of community and potential for growth to all who live there. This year much of our agency's attention will focus on promoting the long-term viability and economic feasibility of such housing. To do this, we will continue to work on physical upgrades in our housing units in the form of electrical improvements and other necessary enhancements to ensure the units remain safe, comfortable and affordable.

In addition, during the coming year HRHA will continue our relationship with Hope Community Builders, constructing new single family homes in the city of Harrisonburg by utilizing volunteer labor. This not only provides the benefits of new housing at lower costs, but also allows members of the city at large to become involved in helping us increase the availability of quality housing in the area, enhancing the ties and sense of community in Harrisonburg.

The Harrisonburg Redevelopment and Housing Authority is further dedicated to making affordable housing available to families and individuals with disabilities. Seventy Section 8 units are set aside for these families and we foresee continuing near 100% utilization of these in the next year.

In the new year, the authority will also continue its efforts to promote the deconcentration of poverty in the city by encouraging income mixing in our developments when choosing families from the waiting list. It is our policy, however, to do this in a uniform, non-discriminatory manner.

One of the Authority's most exciting projects this year involves community building, in hopes that an improved quality of life for all citizens will prevail. In conjunction with the Boys and Girls Club of Harrisonburg and Rockingham County, we will begin construction of a teen activity center, which is to include a gymnasium, cafeteria and classroom spaces. It is our hope that this facility, when completed, will further our goals of enhancing the lives of the people that we serve in ways beyond simply providing housing assistance.

### **DECONCENTRATION POLICY**

It is Harrisonburg Redevelopment and Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Harrisonburg Redevelopment and Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

Use this section to provide any additional attachments referenced in the Plans.
